Quick Snapshot

Here are advantages of a partnership with PartySlate

Higher-value event demand from consumers actively planning weddings, corporate, and large-scale social

Sales acceleration with Photo Hub tools that help prospects visualize and decide faster

Measurable performance tracking across views, inquiries, and conversion (with Tripleseat integration)

PARTYSLATE

Goals of the Partnership

This partnership is designed to:

1. **Increase high-value event inquiries** aligned with your ideal event mix
2. **Improve conversion** by supporting tours, follow-ups, and proposals with the right visuals
3. **Reduce sales effort per booking** by speeding up responses and client decision-making
4. **Expand brand reach** through trusted partner and planner networks

Why PartySlate

PartySlate supports revenue across the full client journey:

Profile & Directory exposure: High-intent search visibility that drives demand and higher-value inquiries

Photo Hub sales enablement: Store, find, and share event visuals to shorten the sales cycle and increase conversion

PartySlate Customer Success and Support

We provide hands-on support to help you drive visibility, inquiries, and revenue.

Onboarding

Our Operations team partners with your sales and marketing teams to optimize your profile for high-value inquiries.

Account Reviews

A dedicated Customer Success Manager meets with you 3× annually to review performance, inquiry quality, and optimization opportunities.

Analytics

A centralized dashboard tracks profile views, inquiries, calls, and clicks so you can measure impact and make informed decisions.

Seamless Integrations with Your Existing Tools

PartySlate integrates with your existing tools to streamline lead management, improve follow-ups, and accelerate the sales cycle.

CRM reporting provides visibility into inquiry details and close rates.

With Canva you can create and publish proposals and marketing visuals faster using approved event imagery without hunting for files
